

How to make a Ty Beanie® Baby tag for your small dog

For a paper or card tag, simply print the next page and cut out. and carefully glue the two sides together. Fold and punch a small hole for a ribbon or string

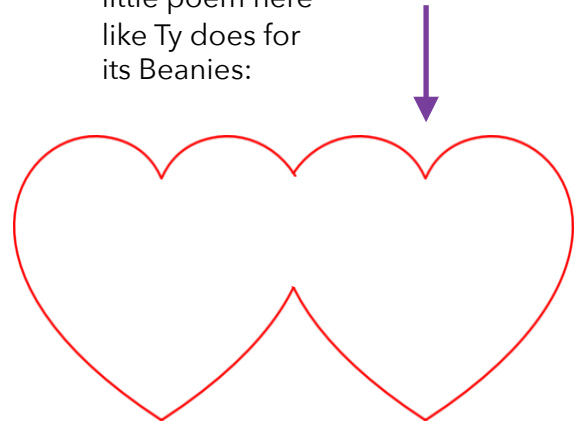

ACTUAL SIZE TY TAG

This is where to fold the tag

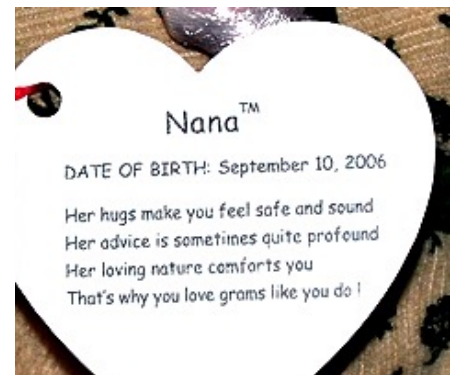

This is the actual size of a Ty tag - 1 1/2" high

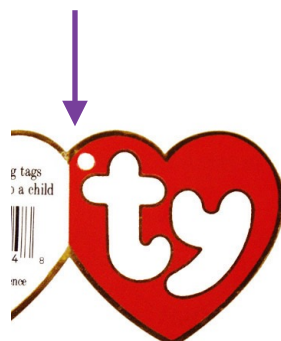

Print your Morkie's name and a little poem here like Ty does for its Beanies:

Here's an example:

Once printed, carefully trim both hearts and glue together. Punch a small hole about here and thread through some ribbon.
